## Job Responsibilities

We have a cohesive team focusing our days on detailing and stocking vans, connecting with guests, and getting them familiar with #vanlife, while acting as liaisons to the beautiful places we are lucky enough to call home.

A Regional Support team member in Moterra's Salt Lake City operation will be responsible for ensuring the consistent delivery of high-quality vehicle detailing, stocking, maintenance, and occasional on-trip troubleshooting.

This is a part-time hourly role broken into two primary responsibilities (below). Workload often varies by week, averaging 20 - 30 hours on most weeks with a significant increase as we lean into the spring season. Team members must be responsive to the schedule requirements of our clients during business hours (including weekends), and most duties must be performed at our office in North Salt Lake.

### Vehicle Detailing

  - Thorough cleaning of vehicle interior, exterior and all included equipment in line with Moterra's standards
  - Restocking with the full list of stock inclusions, including any paid add-ons and other customer-specific requests
- Maintain an orderly warehouse and office, ensuring that all linens, dishes, and other stocking items in the warehouse are clean and ready for rentals or any last-minute changes.

### Vehicle Service/Maintenance

- Fill fuel tanks and check fluid levels
- Assure quality of vehicles and equipment: Monitor windshields, tire pressure, tread depth, and other vehicle diagnostics, including checking for automotive damage, ensuring cars are operational, and driving and parking vehicles on the lot as needed.
- Maintain up-to-date knowledge of vehicles and equipment

*Moterra Campervans is committed to diversity and inclusion. We seek enthusiastic applicants from all backgrounds to join our team, and we encourage our employees to bring their authentic, original, and best selves to work.*
